

Elements of Permaculture Webinar Mini-series

ALBERTA
Native Plant
COUNCIL

Join ANPC on Zoom for the second webinar of the 3-part mini-series on February 11, 2025 at 12 PM MST as Jenn MacAusland and Cynthia Acebo share more Fun with Permaculture Design! We'll learn the nine layers of the forest and purposeful plants and trees to add to your landscape and design process. We'll understand and categorize the roles that these plants play and how to use them to express your own personality. We'll learn to build an herb spiral garden and discuss habitat creation. Register on the ANPC website!
